## And The Award Goes To .....

This week ECFC Founder Tina Pernica had presented the 7<sup>th</sup> annual "Reid Pernica Flight Of Inspiration Award", given to a deserving student at Richmond Hill's Bayview Secondary School graduation ceremonies.

The *Flight Of Inspiration Award* was created in 2008 in memory of former Bayview Secondary student Reid Pernica, who is the inspiration for The Ewings Cancer Foundation of Canada.

Tina proudly presented this year's award to Kian Taravati, a student who has achieved success in spite of significant personal challenges. Congratulations Kian and we hope you have a safe and happy summer!

## **The ECFC is going to Dalhousie University!**

It's a summer education for Board Members Tina and Gail as they head to Halifax, Nova Scotia on July 8th to meet Dr. Jason Berman, Associate Professor and MSC Clinician Scientist in Pediatric Oncology.

Dr. Berman is hosting their visit to the Life Sciences Research Centre at the IWK Health Centre where he is using the zebrafish model in ongoing research into Ewing sarcoma, the first ever in Canada! They hope to capture their experience on video and give a full report on where your donation dollars are going!

Check in with us in July for all the details!
